

Cyngor Cymuned  
Llanddowror & Llanmiloe  
Community Council

**Minutes of the normal meeting of Llanddowror and Llanmiloe Community Council  
Held Monday 8<sup>th</sup> April 2024.**

Present: Cllrs David Howells, Sandra Hewens, Phill Pickersgill, Terence Langdon, Nigel Hodson, County Councillor Jane Tremlett and 6 members of the public.

- 1. Apologies.** There were apologies received from Andrew Sims, Leigh Clarkson, Gwyn Owen.
- 2. Declarations of personal interests.** No interests were declared.
- 3. Questions from members of the public** regarding agenda items and matters raised with Cllr Tremlett - summarised.

Local residents from Llanddowror reported that the main road had been fully swept and the drains jetted, which they were pleased had been done to reduce the flooding risk in the village.

They also enquired again about the next steps in the planning enforcement process, and the Chairman stated he would write to the Head of Planning with their questions. If possible a site meeting would be organised. Concerns were expressed to Cllr Tremlett about all local residents being treated fairly and equitably by CCC.

Local residents from Llanmiloe raised concerns that no activities for the local community were being organised and that the focus was on football. The Chairman explained that the Llanmiloe and District Community Association was a totally separate body from this Council. Although the Council supported both village associations and activities, they were not responsible for them. The Clerk would contact the LDCA Chairman regarding the matters raised.

The members of the public then left the meeting.

- 4. County Councillor report.** Cllr Tremlett updated the meeting on various matters: the verge and gullies along the old road from Llanddowror to Red Roses had been cleared, so if required this could be requested again; discussions on ensuring safe accessibility for the residents of Hydfron Close was planned by the relevant department; the cracked Llanmiloe bus shelters had been inspected and were not considered dangerous to users; the Llanmiloe A4066 lamp-post had had trees trimmed back it was reported – this would be checked.

A query was raised on what CCC might do to progress planning enforcement – this was not something which could be answered by those present.

Cllr Tremlett would raise queries again on the Llanmiloe bus stop and its accessibility, and also the continued Llanmiloe lighting problem (first reported in January).

There being no further questions, Cllr Tremlett was thanked for attending, and left the meeting.
